GOLM Child #81, Carlos

GOLM Volunteer and Rotarian of the Month!

GOLM Thanksgiving Visit

Carlos from Honduras

Carlos and his mother, Sandra, arrived in Memphis on November 15th! The Olive Branch Rotary Club hosted the family throughout their stay. Carlos was already recovering from his life saving surgery on Thanksgiving! He and Sandra were back at the FedEx Family House a couple days later. The family returned safely to Honduras on December 6th. Another GOLM success!

GOLM Volunteer of the Month

MARY ANN OVERMAN

We thank you, Mary Ann, for the consistent love and kindness you provide to the GOLM families!

GOLM Rotarian of the Month

JOANNIE BERGSTROM

Thanks to Joannie, a bilingual Rotarian with the Olive Branch club, who dedicated her time and talents to Carlos and Sandra during their stay!

GOLM Thanksgiving Visit

GOLM Board Members and Volunteers delivered a Thanksgiving meal to the staff who regularly care for the GOLM families on the second and tenth floors. GOLM is grateful to the physicians, nurses and assistants who provide extraordinary attention and treatment to our children and their parents.

End of Year Giving

Please consider making a year-end tax deductible donation! Your donations go directly to help the children we bring to Le Bonheur Children's Hospital. Over the last decade GOLM has helped over 80 children from emerging nations receive treatment for their heart disease. The organization is listed by the IRS as an independent 501(c)(3) non-profit. All donations are tax-deductible to the fullest extent of the law.
