THE GIFT OF LIFE MID-SOUTH NEWSLETTER

Child #88: Stephanie from Honduras

Child #89: Jackline from Uganda

SOLD OUT!

You shop. Amazon gives.

Baby Stephanie and her mother, Marlen, returned safely back in San Pedro Sula, Honduras after Stephanie's three successful surgeries at Le Bonheur Children's Hospital! Thank you to the Central Rotary Club for taking such great care of this family!

Soon after they returned home, Stephanie's father, Josue, was in a very serious motorcycle accident. He has survived, but will likely require multiple surgeries and significant care before he is fully recovered.

Jackline Apiyo and her mother, Molly Lalam, and interrupter, Jimmy Angondia, have arrived from Uganda! Their arrival was delayed after visa complications abroad, but the group is now settled in at the FedEx Family House and Jackline will have her life saving surgery soon. A special thank you to Kari Harbin, volunteer and Le Bonheur Children's Hospital nurse, for all of her ongoing support of Jackline and the Germantown Rotary Club for sponsoring this family!

Please take them a meal:

Ways to Help

Financial Support

Your donations go directly to help the children we bring to Le Bonheur Children's Hospital. All GOLI-affiliated hospitals charge a nominal fee to cover basic hospital costs. Funds are also used for incidental expenses while the family is staying in Memphis at the FedEx Family House.

Volunteer

Rotary Club and Latino Memphis volunteers are a critical part of the Gift of Life mission. Volunteers and their families have the opportunity to get to know our guest families on a personal level. The host Club provides meals and transportation during the family's stay in Memphis. Volunteers also accompany families to clinic visits and provide support during the hospital stay.
