Thank you to the sponsors of the GIFT OF LIFE GALA!

Adiel Sosa traveled to Memphis with his mother, Heidi, from Belize. His life-saving heart surgery at Le Bonheur Children's Hospital was a great success! Thank you to the Germantown Rotary Club for continuing to host this family as Adiel recovers!

## Ways to Help

### Financial Support

Your donations go directly to help the children we bring to Le Bonheur Children's Hospital. All GOLI-affiliated hospitals charge a nominal fee to cover basic hospital costs. Funds are also used for incidental expenses while the family is staying in Memphis at the FedEx Family House.

### Volunteer

Rotary Club and Latino Memphis volunteers are a critical part of the Gift of Life mission. Volunteers and their families have the opportunity to get to know our guest families on a personal level. The host Club provides meals and transportation during the family's stay in Memphis. Volunteers also accompany families to clinic visits and provide support during the hospital stay.
