Welcome

Noah Hernandez Moncada

Hello Gift of Life volunteers and Rotarians! Our next child NOAH, ONLY 6 MONTHS OLD, and his mother, ISSIS ALEJANDRA MONCADA MARTINEZ have arrived from Honduras. We are so very grateful for Rotary's generous support of FedEx Family House and Gift of Life patient families. Since we are currently unable to allow volunteers or visitors to enter FedEx Family House, due to COVID-19, be sure to review guidelines for your volunteers who will be delivering meals to individual Gift of Life families.

Thank you to Our Donors!

Your support allows us to continue the work of *Saving a Heart* and providing *Service Above Self*.

Ways You Can Help

Financial Support

Your donations go directly to help the children we bring to Le Bonheur Children's Hospital. All GOLI-affiliated hospitals charge a nominal fee to cover basic hospital costs. Funds are also used for incidental expenses while the family is staying in Memphis at the FedEx Family House.

AmazonSmile is a website operated by Amazon with the same products, prices, and shopping features as Amazon.com. When you shop on AmazonSmile, 0.5% is donated to the charitable organization of your choice. Please login and select **Gift of Life Mid-South** as your organization of choice.

Volunteer

Rotary Club and Latino Memphis volunteers are a critical part of the Gift of Life mission. Volunteers and their families have the opportunity to get to know our guest families on a personal level. The host club provides meals and transportation during the family's stay in Memphis. Volunteers also accompany families to clinic visits and provide support during the hospital stay.
