Child #92:
Elisa from Honduras

Child #93: Zanick from Jamaica

One-year-old, Zanick Masters, and his mother, Nicole, traveled to Memphis from Jamaica at the beginning of May. After their arrival, they visited the Olive Branch Rotary Club luncheon and the Memphis Zoo! Zanick will have lifesaving surgery at Le Bonheur Children's Hospital early next week. Thank you to the Olive Branch Rotary Club for hosting this family! Please sign up to take them a meal:

Goodbye to Elisa and her mother, Linda!

They returned to Honduras at the end of April. Thank you to the Collierville Rotary Club for hosting this family! We also sincerely appreciate the volunteers and businesses who donated their time and services while Elisa and Linda were in Memphis!

Ways to Help

Financial Support

Your donations go directly to help the children we bring to Le Bonheur Children's Hospital. All GOL-affiliated hospitals charge a nominal fee to cover basic hospital costs. Funds are also used for incidental expenses while the family is staying in Memphis at the FedEx Family House.

Volunteer

Rotary Club and Latino Memphis volunteers are a critical part of the Gift of Life mission. Volunteers and their families have the opportunity to get to know our guest families on a personal level. The host Club provides meals and transportation during the family's stay in Memphis. Volunteers also accompany families to clinic visits and provide support during the hospital stay.
