THE GIFT OF LIFE MID-SOUTH NEWSLETTER

Child #94: Kiannai from Belize

Child #95: Jorge from Honduras

In early July, Jorge Cardoza, and his mother, Mari, arrived in Memphis from Honduras. Jorge will soon have life-saving heart surgery at Le Bonheur Children's Hospital. Thank you to the Memphis Downtown and Millington Rotary Clubs for hosting this family!

Please sign up to take them a meal:

Goodbye to Kiannai and her aunt, Flor!

The family returned to Belize on July 9th. Thank you to the Memphis Central Rotary Club for hosting this family! A big SHOUT OUT to Rotarian, Johnican Lias, for all the time and care she provided this beautiful family!

We also sincerely appreciate the volunteers and businesses who donated their time and services while Kiannai and Flor were in Memphis!

A thank you letter from Kiannai's mother

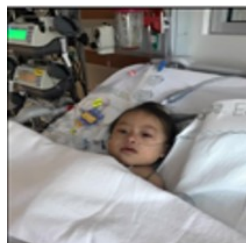

Orange Walk Town, Belize CA

Date 7/9/2019

Dear All,

On behalf of my family, I would like to express my deepest appreciation to the Gift of Life and Le Bonheur Hospital and to the staff who made this possible, giving my daughter Kianni the gift of life. The kindness and attention of all the doctors and nurses to my daughter is something I will always treasure. I was not there but my sister told me how remarkable everyone treated them and how I wish I could have met everyone.

May God continue to bless each and every one you for making miracles happen and for changing the course of life of my little Kianni.

Ways to Help

Financial Support

Your donations go directly to help the children we bring to Le Bonheur Children's Hospital. All GOLLI-affiliated hospitals charge a nominal fee to cover basic hospital costs. Funds are also used for incidental expenses while the family is staying in Memphis at the FedEx Family House.

Volunteer

Rotary Club and Latino Memphis volunteers are a critical part of the Gift of Life mission. Volunteers and their families have the opportunity to get to know our guest families on a personal level. The host Club provides meals and transportation during the family's stay in Memphis. Volunteers also accompany families to clinic visits and provide support during the hospital stay.
