## Two Hearts in One

Although March was a busy month for Gift of Life Mid-South, we had the privilege of saving two hearts. A special thank you to Northeast Shelby County Rotary Club and the Germantown Rotary Club for hosting the children and their families. And we can never forget our volunteers who continuously show support to our families and our organization.

## Meet Lumara Valeria Funez

Lumara Valeria Funez arrived from Honduras accompanied by both parents, Kristian Funez Carcamo and Juan Funez.

## Meet Erin Morales

Erin Morales arrived from Belize accompanied by his mother, Xiomara Morales.

## Thank you to Our Donors!

## Ways You Can Help

### Financial Support

Your donations go directly to help the children we bring to Le Bonheur Children's Hospital. All GOLI-affiliated hospitals charge a nominal fee to cover basic hospital costs. Funds are also used for incidental expenses while the family is staying in Memphis at the FedEx Family House.

AmazonSmile is a website operated by Amazon with the same products, prices, and shopping features as Amazon.com. When you shop on AmazonSmile, 0.5% is donated to the charitable organization of your choice. Please login and select **Gift of Life Mid-South** as your organization of choice.

### Volunteer

Rotary Club and Latino Memphis volunteers are a critical part of the Gift of Life mission. Volunteers and their families have the opportunity to get to know our guest families on a personal level. The host club provides meals and transportation during the family's stay in Memphis. Volunteers also accompany families to clinic visits and provide support during the hospital stay.
