

Celebrating Life

"Hello Bill and all my earthly angels. I share with you some photographs of my 5th birthday celebration; God gave me life, and you gave me a new heart. I recently visited my cardiologist who tells me that my heart is perfect, and that the doctors did an extraordinary job. If it weren't for the fact that she is my doctor and knows my medical history, I wouldn't believe that my heart was operated on. She looks at me so well that she gave me an appointment in 1 year. My parents tell me that we will be eternally grateful to you. May God bless you always. You are part of my life."

With much love,
Victoria Maria, a daughter of GOL

Le Bonheur is Expanding!

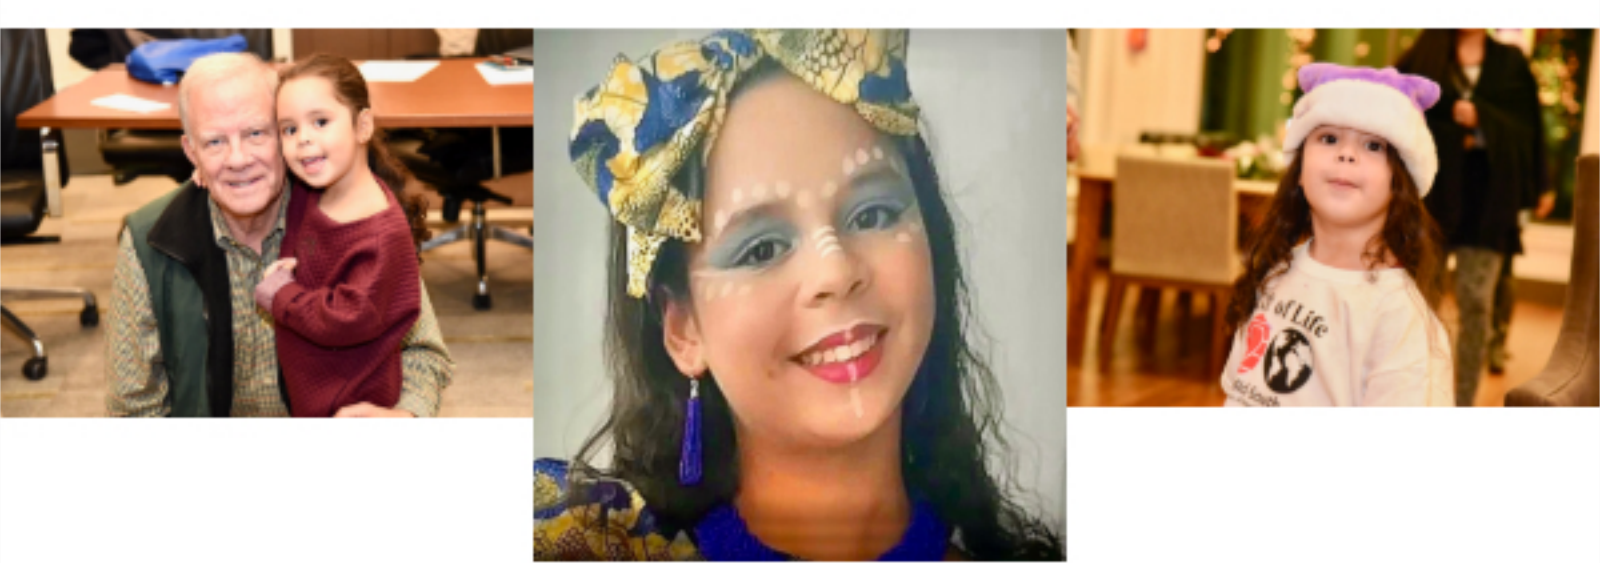

Board members and volunteers got a "behind the scenes" visit to CVICU, the new expansion of Le Bonheur Children's Hospital surgery, ICU, and ER.

Where Are They Now?

Natalie E. Rosas

Natalie is currently 11 years old and in the 6th grade. It is her last year of primary school! She has a graduation ceremony in December and is passing pre-medium. Natalie has one older brother, who is 27 years old. Her father died unexpectedly from cancer in 2019 at the age of 43, and she misses him a lot.

Support Us

Your donations go directly to help the children we bring to Le Bonheur Children's Hospital. All GOLI-affiliated hospitals charge a nominal fee to cover basic hospital costs. Funds are also used for incidental expenses while the family is staying in Memphis At the FedEx Family House.

Rotary Club and Latino Memphis volunteers are a critical part of the Gift of Life mission. Volunteers and their families can get to know our guest families on a personal level. The host club provides meals and transportation during the family's stay in Memphis. Volunteers also accompany families to clinic visits and provide support during the hospital stay.
